

## Battery Compatibility Statement

After testing and verification, here we are confirming that the corresponding tested GoodWe inverters are compatible with GS ENERGY (NINGBO) POWER TECHNOLOGY CO., LTD  
 Include inverter and battery models as:

GoodWe Inverter models:

GoodWe ET15-30KW

Battery models:

GS-HV-11.23

The compatibility is based on inverter and battery BMS firmware version from:

Inverter ARM firmware version: 050514 or higher version

Battery control unit firmware version: M1109500001 or higher version

And the detailed compatibility as: ("√" means compatible, the others means incompatible)

● For LV (48V) Batteries

Battery Model					
ESA series					
EM Series					
S-BP Series					
ES Series					

● For HV Batteries

Battery Model	GS-HV-11.23	GS-HV-14.97	GS-HV-18.7		
ET series	√	√	√		
EH Series					
BT Series					
BH Series					
A-ES Series
