

Battery Compatibility Statement

After testing and verification, here we are confirming that the corresponding tested GoodWe inverters are compatible with GS ENERGY (NINGBO) POWER TECHNOLOGY CO., LTD

Include inverter and battery models as:

GoodWe Inverter models:

GW10K-ET

Battery models:

GS-HV-11.23

The compatibility is based on inverter and battery BMS firmware version from:

Inverter ARM firmware version: 050514 or higher version

Battery control unit firmware version: M1109500001

And the detailed compatibility as: ("√" means compatible, the others means incompatible)

- For LV (48V) Batteries

| Battery Model | | | | | |
|---------------|--|--|--|--|--|
| ESA series | | | | | |
| EM Series | | | | | |
| S-BP Series | | | | | |
| ES Series | | | | | |

- For HV Batteries

| Battery Model | GS-HV-11.23 | GS-HV-14.97 | GS-HV-18.7 | | |
|---------------|-------------|-------------|------------|--|--|
| ET series | √ | √ | √ | | |
| EH Series | | | | | |
| BT Series | | | | | |
| BH Series | | | | | |
| A-ES Series | | | | | |
